DEDICATION

MR. JAMES H. ROGERS

To Mr. Rogers, for his constant efforts on our behalf; for his contributions to the growth of our scholastic abilities; and for his participation, suggestions and generous cooperation in all enterprises, we of North Union High School respectfully dedicate this book.

ADMINISTRATION

EDWARD H. SAVAGE

B. S., California State Teachers College.. M. Ed., University of Pittsburgh

Guiding the schools of North Union Township for the last thirteen years has been the difficult and sometimes thankless task of our friend Mr. Savage. He has thus been our school leader for the duration of our school lives. During that time he has helped, through his efforts, to make school life a pleasant and unforgettable experience for all of us.

Retired

After completing a successful career, Miss Ella Byers retired at the close of the 1948-49 term. She gave over a quarter of a century of her time within the classrooms of North Union. Since her time was devoted to the Mathematics department, many students failed to have her as a class teacher. But always one group of Seniors became acquainted with her by being in her homeroom. At one time she was Faculty Advisor of the monthly Torch—a mimeographed copy produced here at school. Also she was accompanist for a Girl's Chorus here at North Union.

Ever friendly to all, she endeared herself to a host of friends—as many as five or six from some families within the District. She was looked up to by her associates and certainly her smiling face has been missed. May we be as true to North Union as she was.

FOOTBALL

If all the year were playing holidays,

Under a new head coach, Steve Polach, and assistant coach, Nick Bubonovich, a small and inexperienced Ram team took the field in the opening game against a powerful Masontown team and came out on the short end of a 32-0 count. After losing the next game to Trinity, an improved Ram team, though a decided underdog, held the potent offense of Blairsville to a 6-6 tie featured by a long runback of a kick-off for a touchdown by Paul Harford. The following week, although outplaying Derry Township most of the game, North Union lost a heartbreaker 14 to 8. The loss to Derry seemed to stun the Rams, as they dropped the next two games to Georges and Hurst. The next game saw a North Union team, behind 21 points at the end of the half, come back to score 19 points before losing out by a score of 35-19. On October 28, the Rams came to blows with the undefeated Class A WPIAL champions, California, and never quit fighting until the final gun, but came out on the short end of a 21-7 count. The final game of the year saw North Union lose the SUN Trophy to South Union by a surprising 46-6 score.

MEN OF ACTION . . .

To Sport Would Be As Tedious As To Work

The 1949 edition of the Ram Baseball team was one of the most successful in the county as they won six, lost two, and tied two. The first games were non-league against South Union and Redstone, both games ending in ties, the first 2-2, and the latter 1-1. The non-league victories both came against St. Johns.

The first league game saw Bill Brown hurl a no-hit, no-run, 4 to 0 shutout against Georges. Next came Joe Shander's two hit masterpiece against Uniontown, which found the Rams coming out on the long end of a 6-0 count. Then the Rams took a hard fought game from Pt. Marion by the score of 2-0. The first game of the second half found Ray Minghi pitching three hit, 13 to 0 game against Georges. The last two games were heartbreakers, as North Union lost to Uniontown in the last inning and to Pt. Marion in an extra inning by the identical scores of 2-1. Thus our team lost the league championship despite having only four runs scored against it in league competition.

BASEBALL SCHEDULE 1950

April 11—North Union vs. Pt. Marion
April 12—North Union vs. Redstone
April 14—North Union vs. Georges
April 17—North Union vs. Uniontown

South Union	48	37
Dunbar	30	32

The Rams started off their pre-league games by dropping a hard fought game to Brownsville and then split the next two games with St. Johns. In the first half of their league schedule, the Rams won four and lost three, one of those losses being a 31-29 thriller to Georges. The second half of league play was a different story as the Rams managed to win only two while dropping five. The second half also produced its share of heartbreakers as North Union lost several games in the waining moments of play. In the Fayette County Coaches Tournament, the Rams advanced to the semi-finals but were eliminated by Uniontown.

Basketball at North Union still shows the effects of a lack of a home floor for practice and for games. We feel sure that the anticipated completion of the gymnasium will signal an upswing in North Union basketball.

MAJOR AND MAJORETTES

Bettejane Duritsa

James Susano
Pat Vidonish
Hattie Lou Townsend

With James Susano—the "old pro"—, a veteran of three years, as drum major and leader, our majorettes, though few in number, need take a back seat for no other group in the county. Under the tutelage of Hattie Lou Townsend and Bettejane Duritsa, the new majorettes, Joan Lucas and Patty Vidonish, quickly became proficient in the art of marching and strutting to become part of a smoothe working, attractive quartet.

Always one of the vital parts of our school, the music department, this year under the direction of Mr. David Martin, has continued to be one in which we can all be proud. The music department offers a chance for participation and recognition for more students than any other phase of the school program.

In addition to the band and chorus, Mr. Martin has sponsored a square dance club which performed during the half-time festivities at most of North Union's games. Praise from all quarters was received for their efforts.

We appreciate the co-operation of the entire group in aiding us with pictures of individuals and groups, and hope you enjoy both now and in the future, this 1950 edition of your Torch Yearbook.

CHEERLEADERS CLUB

Red team! White team!
Red and white team!
Our team, fight team!
Fight, fight, fight!

The purpose for having a cheerleaders club is not only for training girls so that they may some day become good cheerleaders; but also to help instill a better school spirit among as many girls as possible to make the job of the cheerleaders easier.

ORGANIZATIONS

Wednesday Is The Day

At North Union, 10:15 every Wednesday brings a break in the regular routine of classes, with home room programs or club meetings taking their places. These meetings offer an opportunity for each student to pursue some interest other than those prescribed by the curriculum, and to reveal otherwise unknown talents along many different lives.

Because we have no auditorium for assembly programs as yet, these organizations provide us with the main outlet for expression of our likes and dislikes, and a chance to become acquainted with students from other classes with whom we would otherwise have only a nodding acquaintance.

We feel that these organizations have become a very important part of our school program.
